

Farmer Application Form

To be completed by any farmer wanting to pick up waste food from Loaves & Fishes Food Bank

In an effort to ensure the smooth operation of our Food 4U Food Recovery program, Loaves & Fishes provides food unfit for human consumption to select local farmers to feed to livestock.

If you have any question please email don@nanaimoloavesandfishes.org

Please complete the following:

Farm Name			
Farm Contact Name:			
Farm Phone Number:		Contact Email:	

Please describe how you intend to use waste food provided by Loaves & Fishes.

Please provide the names of the people authorized to pick up on behalf of your Farm.

Farmer Code of Conduct

Farms approved to pick up waste food from Loaves & Fishes must adhere to the following:

1. Approved Farms may pick up farm food from the Loaves & Fishes warehouse, located at 210 Fry St, Nanaimo, from Monday to Friday 8am - 4pm, and Sunday 10am - 3pm only. No guarantees are made that the warehouse will be open or that waste food will be available. The warehouse is closed to the public all statutory holidays. Loaves & Fishes reserves the right to restrict farmers' access at any time.
2. Only 1 farm may access food at a time. Waste food is available on a first come first served basis. If there is already a farmer getting food, the next farmer will be asked to wait until the previous farmer has left before collecting.
3. No more than 3 representatives from any farm may pick up at any time.
4. Farmers are asked not to park any vehicles in front of the 2 loading bay doors. Parking is made available along the north side of the building, on Milton St.
5. Farmers must check in with a Loaves & Fishes staff member before accessing farm food. Farmers are asked to come up the front steps into the volunteer waiting room/kitchen, ring the doorbell to the warehouse and let a staff member know they are there to pick up food.
6. A staff member of the warehouse team will meet farmers at the designated farm area (north side loading bay, closest to Milton St).
7. Bread and produce, if available, will be out on the loading bay. Farmers can tell a staff member anything additional they are looking for (meat, dairy, non-perishables). The farmer can take as much as they want from what is available:
 - Produce – is usually available in bins or fish totes. The farmer will need to bring their own boxes, bins, containers, etc. to put the produce in.
 - Meat/dairy - Farmers must bring their own box, bin, containers, etc. to put meat/dairy items into.
 - Bread - Farmers must bring their own box, bin, containers, etc. to put bread items into.
8. Farmers agree to direct any questions to Loaves & Fishes staff only, not the volunteers.
9. Farmers must not charge or sell any waste food received from Loaves & Fishes.
- 10. Farmers must ensure no waste food is consumed by people. This is critical as Loaves & Fishes must maintain good relationships with grocery stores partners.**
11. The farmer takes sole responsibility for ensuring waste food is suitable for consumption by their animals. Loaves & Fishes bears no responsibility for any sickness, malnutrition or death that results from animals consuming waste food.
12. Farmers are responsible for disposing of any packaging associated with waste food they take.
13. Loaves & Fishes reserves the right to conduct a site visit (Monday to Friday 9am - 5pm) of farms in order to ensure food provided is being used in compliance with this agreement.
